

Easter Garden: Jesus chose love

When he prayed in the Garden of Gethsemane Jesus made some difficult choices; he chose to show his love for you and me; he chose to obey his Father God, not to fight, not to run away. Jesus chose love.

Make a garden out of hearts to remind you that in the garden Jesus chose love.

Print the sheet of hearts, colour them in and use them as flower petals to design your own garden. Add a butterfly, ladybird, or anything else you can make with hearts!

Or use the heart template to cut out hearts from coloured paper and use these to make your picture.

Or colour the garden picture given.

What you need:

Easter Garden template sheet

Paper for background

Scissors

Glue

Crayons

Or coloured paper (colour pages from a magazine will work)
