

# CHILD OF BLESSING

February 10, 2026

Dear Parents,

We're excited to invite your family to take part in a new initiative created to help children and parents experience worship more deeply together. This program, *Child of Blessing: Growing Faith in Worship*, is designed to give children meaningful roles in worship, helping them grow in confidence, faith, and a sense that they truly belong in the life of the church.

Our congregation is joining churches across the country in pilot-testing new worship practices this year. That means your family has a unique opportunity to help shape how children are welcomed and nurtured in worship, not just here, but in the wider Church. Your participation and feedback truly matter.

During Advent, we included children's artwork on the service bulletin covers. During Lent, we are inviting children and youth to help lead various parts of the service, such as the Opening Sentences, Prayer of Confession or a Scripture reading. Pastors will help them! For many children, this is a powerful way to learn worship by doing it.

We hope you'll consider signing up and joining us in this step of faith together. Thank you for walking with us as we worship God together as the whole body of Christ.

Grace and peace,

Rev. Dr. Matt Reeves  
Senior Pastor

Rev. Dr. Tom Rice  
Pastor for Discipleship
