

# Spring Creek Students Youth Camp

Hello Parents!

Camp is here and I wanted to give you a few reminders and some extra information about next week. **The main announcement is that we are asking for students to leave their cell phones at home.** I am more convinced than ever that the dependence on having their cell phones is a real thing, and I want to allow this week to truly be a disconnect for students. Leaders will have phones to take pictures of students and in case of emergency. So if you need to contact your child please call or text me, not them. I am incredibly excited about what Camp 2022 holds in store. I am praying and I ask that you join with me, in believing for an awesome move of God on our students this year. We are going to camp expecting God to change lives and do great things and I know He will do just that. If you have any questions don't hesitate to call, text or email me anytime.

--Pastor Aaron
