

Application – Marvis J. Marlow ‘Help a Neighbor’ Grant

Modest grants to support acts of service by members of Hope Presbyterian Church at Lake Nona

Your Name: _____
(please print)

In 1-3 sentences, describe the assistance you wish to provide:

What is your relationship to the intended recipient(s)? _____

What is your best estimate of the total cost of this project? _____

Please note: If a grant is awarded, it will not necessarily underwrite all costs but will, at least, offset some of the costs associated with providing hands-on assistance.

What items does this cost include?

Intended start date _____ Estimated end date _____

I agree to submit digital photos of the project and/or a one-paragraph summary to the church *within two weeks of the end date (or within two weeks of the start date for a long-term project)*. I will try to honor the dignity of the recipient in how I present information, and will not take photos of minors or medically sensitive issues unless I obtain a written waiver by the parent or subject. I understand that reporting this action allows the church to partner with me in a modest capacity and should, ideally, inspire others to be creative about how they might serve neighbors.

Signature _____ Today's Date: _____
