

AAG BIRTHDAY PARTY INFORMATION

Basic information.

- Parties are an hour and a half: one hour in the gym, followed by 30 minutes in the party room.
- Families can book two time slots. First time slot will be only the base price of \$250. The second time slot will be \$250 for the first 15 guests, then \$15 for each kid after the initial 15.
- All parties max at 35 kids. Kids 2 and under do not count in the final head count, but keep in mind that our party room can only accommodate 35 kids
- If you plan on having 30 kids or more, we need to be notified as soon as possible. There is an additional fee of \$100 added to the total cost as we must hire a 3rd instructor for your party
 - If you anticipate less than 30 kids, but more than 30 end up attending, you will still be charged the \$100 fee
- A \$50 deposit is required at the time of booking (if booking two time slots, a deposit is required for each time slot).
 - The deposit is non-refundable.
 - You can transfer the deposit to a different day or time slot as long as you are more than 2 weeks before your party. Once you are within 2 weeks of the party, the deposit is not transferable, and you will need to pay a new deposit if changing the day/time
- All guests are required to fill out a waiver. You will receive the link to the waiver in the confirmation email after you book your party.

Birthday party- arrival

- Host families are able to arrive 15 minutes before the start time of the party.
- You can put up decorations in the party room.
- The party staff will greet you. You can notify the family of any changes to the party you would like. EXAMPLE: if you would only like free play, or more time in the party room (taken out of gym time)

Birthday party-gym time (one hour)

- Birthday parties start with a 10 minute warm up. Running and stretching and a talk about rules and safety.
- After the warm up, the kids do an obstacle course that goes around the competition floor, through the pit and back to the competition floor. This typically takes 10-20 minutes of time. We base it off the kids' age and engagement.
- Followed by trampoline time, where the kids get another safety talk. This is only about 10 minutes, to make sure the kids can follow the rules on the trampoline.
- The remainder of the gym time is free play.
- After the first hour, the kids will wash their hands and head into the party room for any treats that you provide.

Birthday party- party room (30 minutes)

- Families are welcome to bring any food and beverages (non-alcoholic).
- We do not restrict any food, but we do ask that you be aware of any allergies that your guests might have.
- The 30 minutes in the party room can not be extended past the end time of the party. If you would like more than 30 minutes in the party room, you would have to shorten the time in the gym, or book a second time slot.

Birthday party- end time

- 5 minutes before the end of your party, the staff will ask if there is anything they can do to help you finish up.
- The staff can help bring gifts to your car or help you carry anything else out.
- Once you have reached the end time for your party, the staff will immediately start to clean up. This means they will be throwing away anything left of tables and in the party room. The staff will need to disinfect all tables and chairs, and sweep/mop before the next party arrives.
- Make sure all parents are aware of the end time and are punctual.

Number of kids	Price	Number of kids	Price
1-15	\$250	23	\$370
16	\$265	24	\$385
17	\$280	25	\$400
18	\$295	26	\$415
19	\$310	27	\$430
20	\$325	28	\$445
21	\$340	29	\$460
22	\$355	30-35*	\$575*
		*Once you reach 30 kids we do require a 3rd instructor. It is a flat fee of \$100 from 30-35 kids
